**July 24th 2019: Corrective Collars Psychological
Stress and Pain. Really?**

According to a recent article titled published by Psychology Today, the use of choke, prong, or remote training collars (called "shock" collars in the article) will cause your dog to suffer psychological stress and pain. Fact or sensationalism? Real concern, or hidden agendas? Listen to Bryan and find out. Bryan will also answer the following listener questions: - What can I do to make my dog stop scratching on my door? - I want to adopt two puppies from the same litter. Should I be concerned about Littermate Syndrome? - Our eight-month-old dog has recently peed in my son's bed. What's
