**July 24th 2019: Everything you need to know
about CBD, but were afraid to ask...**

Cannabidiol, or CBD, is popping up everywhere, from creams to food to prescriptions. CBD is one of the key compounds in cannabis plants, though it doesn't cause cannabis' characteristic "high". It's being touted as a treatment for all kinds of ailments, but the evidence for some uses is weak and questionable. Meanwhile, CBD is already a \$1 billion industry, and some on Wall Street think it could reach \$16 billion, aided in part by a recent change in US law that made hemp legal. We will be speaking with an award winning CBD producer on everything related to this very innovative cannabis

Featured Guest

Christopher Visser

Christopher Visser brings online marketing expertise to the Hemp market. His online advertising, website building, affiliate marketing, SEO experience, and passion for holistic remedies has been a part of Chris' life since 2008. His journey started with his very first website, AllTop3.com and affiliate marketing website where Chris chose the top 3 products of any/all categories and then reviewed each one for online consumers. Chris fell in love with affiliate marketing, but he always sensed the need to bring his marketing experience and marry it to his passion for health and wellness and the desire to produce a product or service to positively impact millions of people around the world.
