### Today, Tomorrow's Technologies Archives Available

**July 23rd 2019: Encore: Medical Technology and Innovation**

Today, Tomorrow's Technology (T3) has had many technology topics discussed on the show. In the last two weeks, we have introduced the audience to Numobag Kit a wound care product and Neuchroma lenses. Today, we will continue our discussion on Medical Technology and Innovations products. Our guest today is Ms. Sarah Cristina Castillo Benitez a registered nurse and key international consultant for the Numobag Kit. She will help discuss the application of the Numobag Kit to Case 95. How the treatment saved a 95-year-old lady's leg because she took a chance on a new technology and treatment. We
