

Lead Up for Women: Speak Up to Lead Up **Archives Available**

July 31st 2019: Lead Up for Women travels to Columbus, OH

Join us this week as we interview a few attendees from the cozy Columbus, OH Luncheon held on July 25th, 2019. Special guest Co-Host Keira Pulson will be joining me in the studio to enlighten us with her knowledge on being an intuitive energetic healer. We are also joined later in the show by Dr. Patricia Bagsby, VP or Organizational Consulting and Jen Du Plessis, Consultant and International Speaker (along-side Les Brown Jr.), two powerhouse women that support the empowering of Women and teaching those they influence to reach greater heights in business and in their personal lives.

Keira Poulson

Keira Poulsen is a mother to 5 amazing kids. She is also an inspirational speaker and loves to share the message of hope and light with those around her. Keira is an intuitive energetic healer, and the creator of The Awaken Program. One of her most favorite roles is being the host of the Awaken Podcast Show. This is where she shares her message of awakening and living life through from our Divine Greatness. Last August, Keira published her first book- "The Hidden Gifts Within the Trauma of Sexual Abuse," and is working on her second book- "Warriors of Light; stories of hope and healing." Keira has spent the last 17 years in the world of healing. She is a believer that when we address our t

Patricia Bagsby

Dr. Patricia Bagsby's background as a consultant and an educator contributes to Psychological Associates' strong scientist-practitioner approach. Patricia's 10 years of experience in both internal and external consulting roles expands her perspective when helping clients to optimize their strengths. Her expertise allows her to excel in helping leaders leverage team strengths; develop and integrate new systems and processes; and grow as individuals. Her integrated approach applies a combination of behavioral sciences, change management, and process improvement principles. As an educator, she stays current with research on best practices and benchmarks for organizational development objectives

Jen Du Plessis

I began my long career in mortgage lending while in high school and continued to work through college. While studying Architectural Design & Construction at Colorado State University I delivered Title Policies for Lawyers Title on my bicycle (before fax and email was even a thought). Having been featured in such publications as The Wall Street Journal and The Washington Post, and on Good Morning America, Sirius/XM Radio and Federal News Radio; and with speaking engagements at The George Washington University as well as several Networking organizations in the Metro area, mortgage industry and non-specific industries as well; I have had the privilege of sharing my story and strategies for succ
