October 24th 2019: The Role of Social Media in Organizational Resilience

Social Media has the power to influence are personal and professional lives and not always in a manner in which we expect. It can be full of misinformation that can cause allot of harm and recognizing the good from the bad can be extremely difficult for organizations. This week, we welcome back Lt. Glen Mills from the Burlington, Massachusetts Police Department who is a specialist in monitoring social media; separating the good information from the bad. He will provide us some key insights that our organizations –and even ourselves – should follow to ensure we don't get stuck in the quagmi
