August 2nd 2019: Know Your Influence - First Impressions

This week we explore the topic of first impressions, something we touched on briefly in last week's episode. Beginning the discussion with what comprises a first impression—image and attitude—we dive into what influences our perception of others. Perspective is key when dealing with any topic, as we all come from different walks of life. Touching on how to have empathy, be professional, and give second chances, this week's episode is one you won't want to miss.
