**August 14th 2019: Acing the Security Leadership**  
**Recipe for Digital**

Digital has forced security leaders to rethink their department's strategy, people, processes, tools, governance, budgets, and culture. With the dynamic and volatile nature of digital, it isn't easy to build a standardized, unified, and cohesive approach to making security forethought and implementing it in the very DNA of the organization. With unique organizational needs and constraints, how are security leaders developing their unique recipes and acing it? Guest: Brandon Champion, Chief Information Security Officer, Syneos Health Guest Bio: <https://www.ciotalknetwork.com/contributor/brand>
