August 14th 2019: Road2IF/Driving adoption of New Tech and Content with Hanno Basse

This week on the Tech Cat Show, on the Road to The Infinity Festival, we talk with Hanno Basse, one of the entertainment industries most well-known technology experts and the former chief technology officer at 20th Century Fox Film Corporation. Hanno is now President of Live Planet's Decentralized Media Solutions division and will share with us Live Planet's VR's plans as well as what it's like to drive the adoption of emerging technologies to catalyze new media experiences and services at large corporations and startups. As Chairman of the Infinity Festival, Hanno will also share how Storyte
