

Things Worth Considering
Thursday at 5 PM Pacific /8 PM Eastern
August 22nd 2019: Afterlife Explorations

If you are like many of us, you may ponder what happens when we die? What is the afterlife like? What will it be like for me? More and more, credible individuals are revealing what they have gone through in their near death experiences. What are their experiences saying about the afterlife? There is an emerging realization in scientific community that the physical brain does not create consciousness and that consciousness is eternal. There is a scientific model that the brain serves as a reducing valve or filter that limits our consciousness. There is mounting evidence for a world beyond death.

Linda Kuschnir

Linda Kuschnir is a Registered Psychotherapist, Spiritual Director, Reiki Master, and Life Coach. She is an avid life long learner from courses to books to attending conferences. Linda was first introduced to the 7 Rays of Power in 1999 while attending a weekend study retreat with our friend the late Maria Jankovic. The program was taught by Dr. Norma Milanovich, whose teachings inspired Linda and Maria to go further and learn more about the 7 Rays. They studied the works of Joshua Stone, Alice Bailey, Brian Gratton, Janet McClure, Benjamin Creme, Kurt Abraham and many others. Linda has been teaching the 7 Rays for many years now and brings with her a huge wealth of knowledge. She is an accompanist.
