September 10th 2019: False Rivals: The Dilemma of the Two Leans

Have you noticed? There are two leans in the world today. One lean is defined as a known and knowable destination, achieved by applying a closely defined, formulaic engineering protocol that uses time as the lever. The other lean is seen the same as continuous improvement a never ending process without a hard edge, co terminous with the pursuit of perfection. Join us on Visual Workplace Radio as your host and leading expert, Gwendolyn Galsworth, presents the dilemma of two of lean two options or two rivals. First, she un nests each approach. Next she considers a third option, keenly captured i
