**September 17th 2019: How to Use Video to
become known as an expert in your field**

Using video in your business can be a daunting task! You know you need to use it but I see it all the time... people set up their home studio, press record, and suddenly they freeze. Can you relate? You are ready to share your message but the minute you press RECORD your mind begins running wild with fear, stopping you in your tracks. What do I say? What will people think? Do I sound OK? Do I look OK? Am I crazy for doing this? The list goes on and on...right? With camera access at your fingertips these days, there is simply no excuse for not using video content to grow your business and that
