**October 8th 2019: WE Empower UN Sustainable Development Goals Challenge Winners**

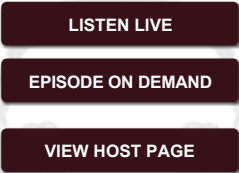

There are women leaders making a difference by promoting positive change in their local communities which can have a global impact. “Women hold each other’s hands around the world for innovative positive change, supporting and promoting each other’s work to make the world a better place and co-creating the future we want”. Amanda Ellis, co-chair of the WE Empower United Nations Sustainable Development Goals Challenge, which promotes women business owners globally who are both running successful businesses and supporting the UN Sustainable Development Goals, joins Maureen along with Hadeel A
