**October 2nd 2019: Digital Transformation:
Enabling Technologies and New Partnership
Models - Part 2**

The buzz: "Alone we can do so little; together we can do so much" (Helen Keller). How can your company innovate in new ways beyond leveraging enabling technologies like IoT, AI, Machine Learning and Blockchain? The pace of change in industry has forced organizations to focus on their core competency and select partners to collaborate in non-traditional ways that are mutually beneficial. The experts speak. Don DeLoach, Rocket Wagon Venture Studios: When I was growing up, there were no women in orchestras" (Ruth Bader Ginsberg). Nicola Zingraf Bolton, Bolton Consulting: "I began to realize how
