In this episode, we have turned the table on Kimberli J. Lewis as she is interviewed by professional writer and editor, Thornton Sully, Editor-in-Chief at A Word with You Press. Thorn talks to Kimberli about her thoughts on diversity, gender roles, life's importance and many other subjects that are both about business and some that are very personal in nature. It is a fun episode that helps you get to know the host of Leadership Beyond Borders, at a very different level while making the listener reflect on their own thoughts and opinions.
