October 16th 2019: Millennial Women Taking Charge: Badass Superstars

Today's Buzz: "It's hard to believe that only a few generations ago, women had three career options: teacher, secretary or a nurse. Fast forward to 2017 and women have blurred the lines of traditional gender roles. ... women and millennials disrupting the workplace and changing the business world as we know it" (forbes.com). "Unlike previous generations who may have either looked at self-investment as self-indulgence or who simply didn't have the resources or technology available to make supplementary investments in themselves, today's badass millennial women are unapologetic about their desire
