Mary Mc Nerney

MARY MCNERNEY has learned how to attune to Earth's voice and vibration, and how to work together co-creatively with Earth and the Angelic Realm. In Earth Speaks Up she shows us that this is an innate capability which we all have, humanity has just become separated from it by societal and cultural structures imposed over time. Through Earth Speaks Up, wisdom, guidance and tools are provided by Earth and the Angelic Realm to enable us each re-awaken our skill and ability to listen to Earth, and to work together with her on the fundamental energetic level of co-creation.
