**December 3rd 2019: Managing the new generation of workers**

The new generation of workers is pushing back. They expect and demand flexibility — benefits, latest technology, like the ability to work remotely, come in late or leave early, or make time for friends and the things they enjoy. And all this is happening while they chat on their phones, using visual images on Instagram, snap chat and other social media. They are re-shaping everything as we know it and reshaping it for us, but the question is are we ready to be re-shaped and how will this happen? There are some big obstacles when it comes to re-shaping what we know as common work p

#### Miguel Gonçalves

Miguel Gonçalves is an entrepreneur, traveller and co-founder of Spark Agency, a consulting firm specialized in talent management. With a background in Psychology and Engineering, he's a simple guy that loves alpinism, marathons and paintings. Over the past years, he's been developing Pitch Bootcamp, a career acceleration programme that helped more than 14.000 university students, in 21 countries, to reshape the way they think on their talent. In 2016 he published "O Mercado Grita Talent", a book that becomes the reference in career management in Portugal. His mission is to build the world's leading career acceleration programme.
