February 19th 2020: Earth Speaks Up: Mary E. McNerney

Humanity's understanding of Earth throughout history is filled with a series of awakenings. We once believed the Earth was flat; stationary; and the center of the universe; over time we learned otherwise. Today we hold onto the belief that Earth is merely a compilation of dirt and rock. Our past experience shows us; though; that our perception of Earth needs to be fluid; open to change. Earth Speaks Up brings you to our next new wonderful awakening: knowing Earth as a sentient and communicating being. An Earth who is eager to consciously connect with you and with all of humanity.

Featured Guest

Mary E. McNerney

MARY MCNERNEY has learned how to attune to Earth's voice and vibration, and how to work together co-creatively with Earth and the Angelic Realm. Mary received her law degree from Georgetown University and had a career in corporate and international law, until she was unexpectedly propelled into this entirely new direction
