**January 2nd 2020: Encore Future Technologies  
and What It Means in Keeping Kids Safe**

The past few weeks' events will make your head spin. Global Law Enforcement and Intelligence organizations discovered the largest child pornography ring in history with over ONE MILLION users that subscribed to a Dark Net site and received frequent user points for paying their subscription with Bitcoin. The US Congressional Intelligence Committee is investigating TikTok, owned by the Chinese company ByteDance, for possible international security violations for using artificial intelligence to record and share user data. The People's Republic of China introduced their cryptocurrency that will
