January 27th 2020: Innovations in Investing:
Blue Chip Art / Leasing Precious Metals

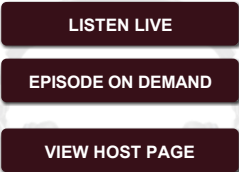

Is there a way to earn money while holding precious metals? Why do people invest in gold and silver if all they do is hold it while paying storage fees? What's the difference between investing and speculating when it comes to precious metals? Why should an investor hold gold? Host Jordan Goodman talks with Keith Weiner of Monetary Metals about the opportunity gold and silver owners have to monetize their gold and earn a return on it. Precious metal owners can store their gold or silver with Monetary Metals at no cost, saving traditional storage costs, and earn an interest through a very unique

Featured Guests

Scott Lynn
Mr. Lynn has been an active collector of contemporary art for more than fifteen years and has built an internationally-recognized collection of Abstract Expressionism that has included works by Clyfford Still, Barnett Newman, Mark Rothko, Willem de Kooning, and more. For works purchased between 2010–2015 (to give a reasonable hold period), Mr. Lynn's collection had realized gains of 19.5% per year.

Keith Weiner
Keith Weiner is a leading authority in the areas of gold, money, and credit. After observing investors forced to choose between a return-free risk or high risk to get sufficient yield, he founded Monetary Metals in 2012. The company's vision is simple: a working gold standard is when anyone can deposit gold and earn interest. Keith is the founder of DiamondWare, a software company sold to Nortel in 2008, and he currently serves as President of the Gold Standard Institute USA. He earned his PhD from the (non-accredited) New Austrian School of Economics.
