**April 2nd 2020: The Psychology of Erectile Dysfunction with Dr Gary Bell**

Erectile dysfunction can undermine a man's confidence and increase his anxiety in the bedroom. Since the 90's erectile dysfunction diagnoses have skyrocketed with nearly half of all men being affected and young men are not immune. It's shocking to know that even teenage boys are having difficulty "getting it up". What's going on? There are many reasons why erectile dysfunction is becoming so prevalent in our society. In this episode, Robin and her guest, Dr. Gary Bell explore surprising reasons men may be affected by erectile dysfunction, the impact it has on them and their relationships. Plus

### Featured Guest

#### Dr. Gary Bell

Dr. Gary Bell is a licensed Marriage and Family Therapist. He is also a radio show host with VoiceAmerica.com. Dr. Bell's show, Absurd Psychology which airs on Fridays at 1:00 P.M. Pacific time on Voice America's Variety Channel, is not for the faint of heart. It is about helping our lives in the insane world in which we exist today. It is a sarcastic, smart and witty view of the lives we cope with, including straight answers, real information and new perspectives to bring LIFE back to our existence. Dr. Bell brings deep insight, and common sense to his show, and weaves general knowledge of how the brain operates under various circumstances.
