April 1st 2020: Get Smart: The Future of Out-Hacking The Hackers

The Buzz: "To become a Hacker you need skills, a strong presence of mind and what not? But before that all you need is an inspiration with a pinch of motivation…." (www.tech2hack.com). "What hackers do is figure out technology and experiment with it in ways many people never imagined. They also have a strong desire to share this information with others…." and "Most hackers are young because young people tend to be adaptable. As long as you remain adaptable, you can always be a good hacker" (Emmanuel Goldstein, Dear Hacker: Letters to the Editor of 2600). "Human Stupidity, that's why Hackers a
