April 30th 2020: Women in the Tech World & What's Your EQ?

Women working and leading in technology face challenges and barriers that are similar to other male dominated industries but there is also something unique about the culture of tech that too often excludes women from advancing. Alicia Close, founder and CEO of Women in Tech World and a Top 30 under 30 award winner, will be here to talk about what it's like for women in the world of technology. Michelle Bevan of Alchemy Coaching will also be here with her segment 'What's Your EQ?' and we will be talking about how emotional intelligence relates to having a growth mindset. Join us!
