Featured Guests

Ray Nutt

Ray Nutt is Chief Executive Officer of Fathom Events, one of the largest distributors of content to movie theaters in North America. He manages the overall operations and resources of the company, oversees the numerous verticals under the Fathom Events entertainment content umbrella and delivers innovative, robust and high-quality storytelling for moviegoers, while helping content, distribution and exhibition partners significantly exceed revenue goals. Under Nutt's leadership, Fathom Events has seen year over year growth and reached several new milestones with 2019 marking the company's third record-breaking year in a row. In addition, Nutt has led the company's international distribution

Toni Harris

22 year-old Detroit native Antoinette "Toni" Harris, the first female football player to play a non-specialist position. She is also the first and only one to be offered a full scholarship as a non-specialist on defense. Toni has a history of defying expectations and overcoming adversity – from tackling the football field to beating ovarian cancer. Toni's passion for the game, faithful focus and personal journey are an inspiration for all. Her personal platforms include ovarian cancer awareness, underserved youth and female empowerment.

Matt Wolf

Matt Wolf is a filmmaker in New York. His critically acclaimed and award-winning films have played widely in festivals and have been distributed internationally in theaters and on television. Matt's feature documentaries include Wild Combination about the cult cellist and disco producer Arthur Russell, and Teenage about early youth culture and the birth of teenagers. His recent film Recorder is about the activist Marion Stokes, who secretly recorded television 24 hours a day for 30 years. Matt's newest film Spaceship Earth is about Biosphere 2, a controversial experiment where 8 people lived quarantined inside a replica of the planet. The film recently premiered at Sundance, and is having an
