Task Force 7 Cyber Security Radio
Monday at 5 PM Pacific
May 11th 2020: Ep. 134: How To Use Non-Technical Skills To Propel Your Cyber Security Career

Global Business Information Security Officer at CBRE, Patrick Benoit, appears on Episode #134 to talk about how professionals looking to get into Cyber Security, as well as professionals already in Cyber Security can use non-technical skills to significantly propel their career forward. Patrick talks about the importance of influence and persuasion with getting both the technology and the business moving to accomplish a common mission, what the key areas of process and improvement are that make the BISO role important and successful within the business, and how the role of the security

Featured Guest

Patrick Benoit

Patrick is the Global Business Information Security Officer (BISO) at CBRE. Previously, he has been an Advisory CISO and the Deputy CISO for Cheetah Digital. He is an Information/Cyber Security & Privacy Executive, Writer, Speaker, Knowledge Provider, and Seeker. Patrick works across all security domains and is experienced at building a security program from the ground up. He has been an Executive Business Partner with Experian and a Customer Delivery Executive with Dell Services. Over the years, Patrick has owned his own technology consulting company, led software development and infrastructure organizations, and worked with all levels of executive leadership in operation and security. He h
