Getting In: A College Coach Conversation
Thursday at 1 PM Pacific
May 28th 2020: Online Vs On-Campus Costs & Standardized Tests & Computer Science

With next fall's plans pretty a giant question mark, many families are trying to understand what online study versus on-campus study will do to their costs. We'll share what you need to know about funding an online education. In other segments, we'll offer some standardized testing advice as test dates are cancelled and more colleges opt to go test optional in the coming year. Finally, we'll revisit computer science, this time with Rich Bischoff of Case Western offering the college perspective.

Featured Guests

Alex Bickford
Alex Bickford joined College Coach as part of the college financing team from the education finance department of Citizens Bank. Before his stint with Citizens, he worked as an Assistant Director of Financial Aid at Southern New Hampshire University. Alex has spent most of his professional career working in financial aid and has assisted traditional undergraduate, adult learners and masters degree students in financing their educations. He has a masters degree in business education, a bachelors degree in hotel and restaurant management, and an associates degree in culinary arts.

Karen Spencer
Karen Spencer has worked in education for her entire career. After graduating from Valparaiso University in Indiana, she went on to receive her master in education degree from the University of Virginia. Her love of education began when she was a tour guide at Valpo and in the admissions office of the Curry School of Education at UVA. She began her professional work in residence life at Hope College (MI) and then at Franklin & Marshall College (PA) in admissions. Most recently Karen worked as the assistant director of undergraduate admissions at Georgetown University (DC) where she was responsible for recruitment and transfer admissions, and sat on the admissions committee for the McDonough
