Join host Ryan Treasure and guest Dr. Brian A. Cole, founder of Englewood Spine Associates as they discuss Dr. Cole's career path through spinal surgery. Englewood Spine Associates is a state-of-the-art medical facility that provides care in minimally invasive cervical and lumbar total disc replacement along with endoscopic targeted surgery. Dr. Cole's expertise is especially within chronic neck and lower back treatment. After 24 years of working within spine care and spinal surgery, Dr. Cole got a B.S from Columbia University, he then decided to complete his medical studies at the University
