Demonstrations across America and much rioting in response to the death of an African-American man while in police custody, is seen as a good thing by many, while others are shocked and saddened. Are there deeper causes, and what is the divine perspective? Will the demonstrations help to improve race relations or worsen them? What can be done to bring people together? Is defunding police departments a good idea? Creator provides an explanation of the difficulty of changing inner beliefs, the true origins of racism, and why it will never die out without divine help. Join us!
