August 4th 2020: Live Inspired

Leading social scientists tell us that growing up we are a product of our environment. How we were treated and spoke to by our parents, siblings, teachers, classmates, etc. formed our personality and often our sense of self value or lack of self-value. Dr Laura Staley has faced those struggles for many years before discovering she could take control and live life on her terms. Listen to this intriguing story

Featured Guest

Laura Staley

The founder of Cherish Your World, Laura Staley passionately helps people thrive by guiding them to a holistic transformation of space, heart, mind, body, and soul. Trained and certified with the Western School of Feng Shui and seasoned by almost two decades of working with a variety of clients, Laura uses her intuition and expertise to empower her clients to produce remarkable results in their lives. Her trifecta of serving people includes speaking, writing, and compassionate listening. As a columnist, Laura writes personal essays focused on self-discovery, feng shui, emotional health, and transformations from the inside out. Laura is the published author of three books: Live Inspire
