**September 16th 2020: Helping Baby Boomers  
'Rewire' Not Retire.**

How do you know it is the right time to retire? What do you have to consider when you have your own business and need to think of succession planning? Everyone is at a different stage of retirement planning and has a different view of what life in retirement can be. Rewiring your retirement takes an old idea of retirement and replaces it with something better. To make the decision to quit a job or to leave a business involves multiple choices and is a process of sorting out thoughts, ideas and expectations for creating a retirement lifestyle that we love. As my guest Susan Latremoille not

#### Susan Latremoille

Susan started SuccessDNA because she realized that a life portfolio is as important as a wealth portfolio. As baby boomers, we are hitting our retirement years just as the world is no longer embracing those years as "golden", but rather something to be feared. It's her heartfelt desire to stand in the gap between who you are now and the uncertainty of who you are about to become. With the right strategy and a willingness to move beyond societal stereotypes, Susan helps you to make this one of the most exciting and rejuvenating times of your life. The SuccessDNA program is not a cookie-cutter solution. It's a proven program that will uncover the driving force behind what motivates you to take
