**October 1st 2020: 5 Tips to Build and Boost your Visualization Muscles**

What do your goals look like in your business? TD Bank surveyed more than 1100 individuals and 500 small business owners regarding the power of visualization. Their findings included: People who build Vision Boards, or similar gatherings of pictures related to their goals, are more than TWICE as confident they will achieve them as people who don't. Come learn the process to expand on your goals in business through visualization. It starts with the foundation like building your muscles.
