**October 6th 2020: COVID-19 and the Agendas to Come**

James Perloff and Ian Klassen return. Never has there been a greater suppression of liberties in America as this year. It is reminiscent of the Soviet Union when truth about starvation in the Ukraine was being suppressed by the New York Times which mainstream paper is now suppressing an honest scientific discussion among highly qualified medical scientists regarding COVID-19. Why has America, which has always been a beacon of hope in the search for scientific truth, been suddenly shut down by an American elite much to the peril of Americans? Is triggering an economic depression by locking Ame
