Are you wondering what to do if the pandemic has affected your sex drive? Whether it's a positive change or a negative change, everyone seems to be coping differently, so it's hard to know what's normal when it comes to changes in your sex life. Join us with Dr Megan Fleming from GreatLifeGreatSex.com, as we discuss changes in the libido and sexual behavior during the pandemic. And how some people have adapted to the new normal by using more sex tech and honing their communication skills during quarantine. To get your FREE guide to Clitoral Play, text 'desire' to 66866
