Turning Hard Times into Good Times
Tuesday at 12 Noon Pacific
October 27th 2020: Seeking Optimism from Frank Holmes in this Dystopian World

Frank Holmes, Jim Greig and Michael Oliver return. In a global economy sitting on death row, thanks to extreme levels of debt, the sudden COVID-19 epidemic in early 2020 triggered the greatest economic decline since the 1930s. Seemingly all factors are lining up for the greatest precious metals bull market in a lifetime. But are there other areas of opportunity that a gold bug like your host is overlooking? We look forward to some additional investment opportunities from Frank Holmes whose U.S. Global firm manages a diverse group of mutual funds. So in addition to gold, what other investment o

Featured Guests

Frank Holmes

Frank bought a controlling interest in U.S. Global Investors in 1989 and has led the company, as CEO and CIO, to become a goto destination for investors seeking exposure to gold, natural resources, emerging markets and more. His awardwinning CEO blog, Frank Talk, is one of the very first to appear in the world of finance. More than 40,000 investors subscribe to his weekly commentary in the Investor Alert newsletter. Frank is a regular commentator on top financial outlets like Bloomberg and Fox. His frequent travels helped inspire him to launch the U.S. Global Jets ETF JETS in 2015, still the only ETF on the market that focuses on the global airline sector. He followed this up, in 2017, with

J. Michael Oliver

J. Michael Oliver entered the financial services industry in 1975 on the Futures side, joining E.F. Huttons International Commodity Division, NYC. He studied under David Johnson, head of Huttons Commodity Division and Chairman of the COMEX. In the 1980s Oliver began to develop his own momentumbased method of technical analysis. In 1987 Oliver, along with his futures client accounts Oliver had trading POA technically anticipated and captured the Crash. Oliver began to realize that his emergent momentumstructuralbased tools should be further developed into a full analytic methodology.In 1992 he was asked by the Financial VP and head of Wachovia Banks Trust Department to provide soft dollar res
