Seniors STRAIGHT Talk New Shows Weekly

**November 12th 2020: Eldercare Advocate &
Geriatrician Dr. Mike Wasserman**

Dr. Mike Wasserman was one of the first geriatricians in the country to recognize the dire situation COVID 19 presented to our nations nursing home residents. Since those early days to the present he has not stopped speaking out about the needs of our vulnerable older adults. Dr. Wasserman has been regularly quoted by various major news outlets and has appeared in interviews on CNN, MSNBC. This lively discussion with Dr. Wasserman is not to be missed!! His insights about nursing home care comes from one who has devoted his career to serving the needs of older adults and from the unique persp

Featured Guest

Dr. Michael Wasserman

Doctor Michael Wasserman is a geriatrician who has devoted his career to serving the needs of older adults. He has been a tireless advocate for vulnerable older adults during the COVID-19 pandemic. Dr. Wasserman has served as a member of the National Academy of Science's "A Framework for Equitable Allocation of Vaccine for the Novel Coronavirus" Committee. He is also Editor-in-Chief of Springer's upcoming textbook, Geriatric Medicine: A Person Centered Evidence Based Approach. Previously he served as Chief Executive Officer for Rockport Healthcare Services, overseeing the largest nursing home chain in California and prior to that, he was the Executive Director for Care Continuum, a Health
