November 12th 2020: YOU'RE MORE INTUITIVE THAN YOU EVER IMAGINED AND USE IT EVERY DAY

Life is not just having your everyday mind be in charge of it. It would like to be, but your deeper consciousness is really running the show. It tunes into much more than does your normal mind and only feeds it small parcels that allow you to function basically in this third dimensional reality we normally call home. Your intuition (mostly unconscious but very active) is needed not only for survival, but also to make the right choices that your soul needs in order to fulfill your destiny. You don't realize how much of your life is working out the way your soul has intended for good and for yo
