Preparing for the Unexpected
Thursday at 10 AM Pacific
January 21st 2021: Conquering the Top 5 BCM Roadblocks

There's no doubt that business continuity has evolved into a critical team that helps organizations become - and stay - resilient. As the risk to reputational damages moves into the forefront for corporations, many BC teams are faced with growing the scope and scale of their programs to meet new demands. Many are struggling with finding the best and fastest path forward, as there are always roadblocks that tend to get in the way. I talk with renown industry expert James Green, who presented the topic 'Conquering the Top 5 Roadblocks' at the 2020 Continuity & Resilience Today conference. Ja
