Disability Matters
Tuesday at 11 AM Pacific
December 1st 2020: IAAP and Vendor
Responsibility to Digital Accessibility

Joyce welcomes Samantha Evans, certification manager, for the International Association of Accessibility Professionals (IAAP); Christopher Lee, managing director, IAAP; and Jay Wyant, member of IAAP Global Leadership Council to the show. IAAP's mission is to define, promote and improve the accessibility profession globally through certification, education and networking in order to enable the creation of accessible products, content and services. The guests will discuss the importance of IAAP's commitment to promote vendor responsibilities with respect to digital accessibility for those wit

Featured Guests

Samantha Evans

Ms. Evans brings inclusive design concepts, accessibility, program management, brand strategy, and credentialing expertise to associations, non-profits, and higher-education. She enjoys being able to build and deliver exponentially powerful elements to the organizations. Capitalizing on marketing, communications, and the customer journey these resources elevate organizations to their individual members, the companies where members work, and the organizations seeking to have an impact in the global business and policy communities. She is currently serving the accessibility profession around the world in both small and large-scale growth. She enjoys her time learning about the hands-on deta

Guest Image

Jay Wyant

As the Minnesota's Chief Information Accessibility Officer (CIAO) Wyant works with state agencies to define best practices, design and implement strategies to change organizational culture, improve procurement processes, and organize communities of practice, all focused on ensuring that the State's information and services are fully accessible to its citizens and employees. Also a member of IAAP Global Leadership Council, and has gotten the chance to blog about vendor responsibilities with respect to digital accessibility. He is passionate about this topic because without vendor support, accessible services can't be delivered.
