Once a Nurse, Always a Nurse
Monday at 10 AM Pacific
December 7th 2020: What Nurses Wish the Public Knew!

What has become abundantly apparent in 2020 is just how little the lay public know about hospitals & how they function, nurses & what they do and why there are no hospital beds anywhere in the country right now. What is amazing also is hearing healthcare professionals making comments not supported by science at all, like COVID 19 cannot be spread by people without symptoms. My guest Mary Turner, RN, President of the MN Nurses Association, was asked to speak to President Biden-elect with 3 other healthcare workers about COVID and what it has done to them and their peers. She has been on several

Featured Guest

Mary Turner, RN, President of MNA

Mary Turner was elected Minnesota Nurses Association President in 2015. She is an ICU nurse at North Memorial Medical Center in Robbinsdale and worked for 10 years previously at Abbott Northwestern Hospital in Minneapolis. In November 2020, Mary was asked to speak to President-elect Biden along with 3 other healthcare workers to advise him of the plight of Nurses dealing with COVID on the Front lines. She has served in a variety of leadership roles at MNA, starting as a steward & serving on North Memorial's contract bargaining team, MNA's Board of Directors and as chairperson of MNA's Governmental Affairs Commission. Turner has been on National Nurses United's Joint Nursing Commission since
