#### Featured Guest

##### Michael Rogers

Mike Rogers retired from the U.S. Navy in 2018 after nearly 37 years of naval service rising to the rank of four-star admiral. He culminated his career with a four plus year tour as Commander, U.S. Cyber Command and Director, National Security Agency – creating the DoD's then newest large war fighting organization and running the U.S. government's largest intelligence organization. In those roles he worked with the leadership of the U.S. government, the DoD and the U.S. Intelligence community as well as their international counterparts in the conduct of cyber and intelligence activity across the globe. He also assisted in the development of national and international policy with respect t
