

Once a Nurse, Always a Nurse
Monday at 10 AM Pacific
January 25th 2021: Encore Transforming
Healthcare: Nurses Required

Our Healthcare system is broken. In fact, we do not have healthcare in this country—we have disease care. We wait until you get sick and then try to fix you, easily the most inefficient and expensive form of “healthcare” in the world. Yet, we CAN truly transform healthcare. Each of us will interact with our healthcare system, whether for our families or ourselves. Let’s conscientiously create a system, based on science, research and experience, that we can each be proud of and that we would feel confident and comforted to take our loved ones to. Let’s transform our broken disease-care system i

Kim Evans, APRN, RN

Kim Evans is an Advanced Practice Nurse with over 43 years of clinical experience who is truly interested in helping people achieve their optimal health of mind, body and Spirit. While working as a critical care specialist in the mid 90's, Kim realized that 75% of the patients in the intensive care unit had illnesses that could have been prevented. From that moment on, she dedicated herself to help stop preventable chronic illnesses such as heart disease, diabetes and stroke. Kim is one of the founders and owner of the Institute for Integrative Medicine in Louisville, KY. She is an avid writer and speaker, inspiring people to discover their power within, transform their lives, and achieve

Transforming Healthcare: Healing You, Me and Our Broken
Disease-care System

“This insightful book does more than criticize our ailing healthcare system. As an experienced holistic nurse practitioner, Kim Evans brings practical solutions that can reform the system from top to bottom. Evan’s wisdom can help us shift from a profit-besotted system focused almost totally on illness and disease, to a system that values prevention and the preservation of health.” Barbara Dossey, PhD, RN, Author of Florence Nightingale: Mystic, Visionary, Healer; Holistic Nursing: A Handbook for Practice; Nurse Coaching: Integrative Approaches for Health and Wellbeing
