

# Turning Hard Times into Good Times

with Jay Taylor

**Turning Hard Times into Good Times**  
**Tuesday at 12 Noon Pacific**  
**February 2nd 2021: The Upcoming Revolt of the Middle Class**

Charles Hugh Smith and Michael Oliver return. Last summer BLM & Antifa wrecked havoc in most of the large cities in the U.S. while the mainstream media paid little attention to it or to the plight of America's middle class who have become increasingly impoverished by the transfer of wealth from manufacturing to government-funded enterprises. With their voices not heard for decades & their President censored from partisan Twitter & Facebook, the anger of a small number of Hillary Clinton's "deplorables" triggered the January 7 storming of the U.S. Capitol building. Will silencing descent lead t

## Featured Guests

### Charles Hugh Smith

Charles Hugh Smith is the author/ proprietor of the popular blog OfTwoMinds.com, which he started publishing in 2005. He is the author of numerous books, including "Why Everything Is Falling Apart: An Unconventional Guide To Investing In Troubled Times." In his book "Money and Work Unchained," he addresses the idea of UBI (Universal Basic Income) and starts by taking a fresh look at work and its role in human life and society and well as our system of money. In November 2021 he published his new book Global Crisis, National Renewal: A (Revolutionary) Grand Strategy for the United States, where he discusses as in an age of scarcity, security is a degrowth economy of energy independence, s

### J. Michael Oliver

J. Michael Oliver entered the financial services industry in 1975 on the Futures side, joining E.F. Huttons International Commodity Division, NYC. He studied under David Johnson, head of Huttons Commodity Division and Chairman of the COMEX. In the 1980s Oliver began to develop his own momentumbased method of technical analysis. In 1987 Oliver, along with his futures client accounts Oliver had trading POA technically anticipated and captured the Crash. Oliver began to realize that his emergent momentumstructuralbased tools should be further developed into a full analytic methodology. In 1992 he was asked by the Financial VP and head of Wachovia Banks Trust Department to provide soft dollar res
