February 1st 2021: How YOU Can Be Part of the Greatest Transformation in History!

Our food system, our health care system, our national response to the pandemic, and our battle against climate change. It's all in shambles. Why? Because we fail to address the root cause of each one of these problems. That root cause is modern-day, industrialized animal agriculture. It is literally destroying our planet. We're in a pandemic brought on by a zoonotic illness, meaning it jumped from animals to humans. Yet few speak of how to prevent the next pandemic, which could come from a concentrated animal feeding operation for poultry, pigs or cows, where animals are kept in cramped, unsa

Featured Guest

Sailesh Rao

Dr. Sailesh Rao has over three decades of professional experience and is the Founder and Executive Director of Climate Healers, a non-profit dedicated towards healing the Earth's climate. A systems specialist with a Ph. D. in Electrical Engineering from Stanford University, Dr. Rao worked on the internet communications infrastructure for twenty years after graduation. During this period, he led the transformation of early analog internet connections to more robust digital connections that also ran ten times faster, at 1Gb/s. In 2006, he switched careers and became deeply immersed, full time, in solving the environmental crises affecting humanity. Dr. Rao is the author of two books, Carbon Dh
