February 1st 2021: How to Accelerate Your Career in Any Economy: Becoming Coachable

Career advancement was challenging before we went virtual! If you are struggling to accelerate your career in the new remote workplace, you are not alone. But there are skills you can learn to position yourself for promotion, win the job interview, or be more effective as a leader despite the challenges of working from home. In this episode of Career Confidante Radio, host Marie Zimenoff welcomes Jawad Ahsan, author of "What They Didn't Tell Me." Jawad shares lessons learned during his journey – a rapid ascension to C-level roles in global organizations – and actionable advice for leaders at e

Featured Guest

Jawad Ahsan

At age 29, Jawad Ahsan defined his North Star: he wanted to move up to the C-suite. A year later, he became a divisional CFO at GE Healthcare, and was soon promoted to be a GE executive. By age 34, he was the CFO of a private-equity backed SaaS company, and by age 37, became the CFO of a publicly traded company, Axon. As CFO, Jawad is responsible for leading the company's global finance, corporate strategy, legal and IT organizations, as well as Axon's consumer-facing business. During his tenure, Axon's market cap has increased from \$1 billion to over \$6 billion.
