LANDMARK RECOVERY RADIO

Landmark Recovery Podcast
Tuesday at 9 AM Pacific

**February 4th 2021: The Difference in Hospitals
and Addiction Treatment Centers**

In this episode Zach is joined by Dr. Kenneth Yeager, the director of Stress, Trauma, and Resilience (STAR) program at Ohio State University's Wexner Medical Center. The two discuss the STAR program and what types of success Dr. Yeager has seen in the program. Dr. Yeager also discusses the differences between hospitals and addiction treatment centers.

Dr. Kenneth Yeager

Dr. Yeager, Ph.D., is a professor, clinical, in the College of Medicine, Department of Psychiatry. He also serves as director of the Stress, Trauma and Resilience (STAR) program at Ohio State University's Wexner Medical Center. The STAR program recognizes the importance of addressing experiences of trauma with evidence-based, trauma-informed practices and approaches to care. Yeager, who holds an endowed professorship as the David E. Schuller Professor for Patient Compassion, has numerous publications in the areas of crisis intervention; resilience building; treating co-morbid substance abuse and mental illness; quality improvement and developing quality metrics; and evidence-based practice,
