Landmark Recovery Podcast

Tuesday at 9 AM Pacific

March 11th 2021: Emerging Threat Intelligence Program

In this episode, Zach is joined by Dr. Angela Huskey, Senior Vice President and Chief Clinical Officer at Millennium Health. Her work has been featured in JAMA and the US Department of Health and Human Services utilizes her work on the Emerging Threat Intelligence Program to prevent drug overdoses. The two discuss her work with Emerging Threat Intelligence Program and substance abuse trends throughout the pandemic.

Dr. Angela Huskey

Dr. Angela Huskey, PharmD, CPE is Senior Vice President and Chief Clinical Officer at Millennium Health, an accredited specialty laboratory with over a decade of experience in medication monitoring and drug testing services. Her work has been featured in JAMA and has played a pivotal role in establishing the company's Emerging Threat Intelligence Program which the US Department of Health and Human Services, along with other state agencies utilizes to help prevent drug overdoses and save lives.
