**March 24th 2021: YOU have a hidden enemy**  
**from within . . . Your Health!**

Arthur Godfrey said it best, "Few Millionaires can afford the cost of cancer". There are many things that can stop you as a small business owner in your tracks but very few that can effect that dramatic of a halt in your enterprise than the loss of your good health We have all experienced what the pandemic has caused in the shutting down of our businesses and the shutting out of our customer bases and the relegating of our marketing and communications to becoming much more "virtualized" but have we taken into the consideration the "STRESS" factor of all of this and the possible damage that h

### Featured Guest

#### Simone Kvalheim

Simone is the founder and CEO of XCellerated Health, an Age Reversal Expert, Coach, Speaker, Publisher and Author of Your DNA is NOT Your Destiny and Phototherapy to be released in 2021 and 2022. She champions the fight for Personal Health, Self Care and Longevity. Simone is an authority on cutting edge protocols that empower the body to heal itself at a cellular level. She states that I know that the body is a phenomenal piece of organic architecture comprised of sound and light waves, a bundle of frequencies tuned into the universe. Whatever the body manifests, the body has the capacity to heal given the right information and signals. XCellerated Health protocols combined with technolo
