**March 24th 2021: The Future of Social Engineering: You As The Good Human Hacker!**

Throughout recorded human history, people have figured out how to use the latest "technology" to scam, con or hack others for their own benefit. William Chaloner (1650–1699): Serial counterfeiter and confidence trickster proven guilty by Sir Isaac Newton. Gregor MacGregor (1786–1845): Scottish con man who tried to attract investment and settlers for the non-existent country of "Poyais". Cassie Chadwick (1857–1907): Canadian who defrauded banks out of millions by pretending to be the illegitimate daughter and heir of Andrew Carnegie. Joseph Weil (1875–1976): Chicago's infamous Yellow Kid p
