March 30th 2021: Encore Police Added to
Endangered Species List! Can They Be Saved?

Are the police going extinct? Can they be saved? How and why did they become endangered? Whose bright idea was it to 'defund the police' - especially at the same time as inmates are being let out of jails and prisons? And who you gonna call when you're being robbed? raped? murdered? or when there's the next terror attack? Today's guest, Sergeant Betsy Brantner Smith, spokesperson for the National Police Association, will answer these questions and more - like: how do the police continue to put themselves on the line every day, risking their lives when it's not just the usual criminals out to g
