

The Kinetic Enterprise(tm): Built to Evolve, Presented by Deloitte Friday at 6 AM Pacific /9 AM Eastern April 9th 2021: Encore The Kinetic Enterprise: Sustainability at Organization's Heart

The COVID-19 crisis has challenged organizations in every industry to reimagine their business and focus on getting to the "next normal." What does the future look like beyond the pandemic? Challenges related to environmental and social issues remain as large as ever, and no business is immune. Why should these be "front burner" issues today? How can you leverage intelligent solutions to put environmental issues and social impact at the heart of your business model—while increasing transparency and unlocking long-term value for your enterprise and stakeholders? Listen as Deloitte lays out
